

RITESH VERMA

Software Engineering Intern | Frontend / MERN Aspirant

New Delhi, India | +91 9212230235 | vritesh541@gmail.com

GitHub: github.com/Riteshverma-codes

PROFESSIONAL SUMMARY

Software Engineering aspirant with hands-on experience in building responsive, user-centric web applications using React, Next.js, and JavaScript. Currently undergoing MERN Stack training at DUCAT India with exposure to MongoDB, reusable component design, and API integration. Previously worked as a Graphic & UI Designer, bringing strong UI/UX understanding combined with clean, maintainable frontend code.

TECHNICAL SKILLS

Frontend & Programming: HTML5, CSS3, JavaScript (ES6+), React.js, Next.js (Basic), Angular, TypeScript

Backend & Database: MongoDB (Basic CRUD), REST API Integration

Styling & UI: Tailwind CSS, Bootstrap, CSS Modules

Tools: Git, GitHub, VS Code

Additional: Responsive Design, UI/UX Collaboration, WordPress, Shopify

EXPERIENCE

DUCAT India – Vikaspuri, Delhi | MERN Stack Developer (Training)

Jan 2025 – Present

- Built React-based interfaces using reusable components and responsive layouts
- Integrated REST APIs to fetch and display dynamic data
- Worked with MongoDB collections and implemented basic CRUD operations
- Used Git and GitHub for version control and collaborative development

Amazin Automation Solutions Pvt. Ltd. – Gurugram | Graphic & UI Designer

Jan 2023 – Oct 2024

- Designed UI/UX layouts for websites and web applications
- Created brand visuals and promotional creatives
- Collaborated with developers for pixel-perfect UI implementation

PROJECTS

HSWF Website (React) – github.com/Riteshverma-codes/Hswf-Website

- Built reusable React components and responsive layouts using Tailwind CSS
- Focused on mobile-first design and frontend performance

API Integration Project (React) – github.com/Riteshverma-codes/api-integration

- Integrated News API to fetch and display real-time data
- Implemented component-based UI with responsive design

Covers & All Website (Angular) – github.com/Riteshverma-codes/Covers-all

- Developed a responsive e-commerce UI with dynamic product listings
- Optimized UI/UX for smooth browsing experience

E-commerce Website (React) – github.com/Riteshverma-codes/ecommercesite

- Implemented product listing, cart functionality, and filters
- Used CSS Modules for modular and scalable styling

EDUCATION

Master of Computer Applications (MCA) – IGNOU (Pursuing)

Bachelor of Arts – Delhi University

INTERESTS

Product-based web development, scalable frontend architectures, UI/UX driven engineering solutions
